

A light source that lasts
up to 20,000 hours –
an innovation by CASIO.

The new Ultra Short Throw projector with 3.100 ANSI-Lumen- The brilliant solution for every Whiteboard

- Long-life Lightsource
 - Mercury-free illumination technology
 - 20.000 hours without ever needing to change a lamp
 - ▶ Massive reduction in follow-up costs
 - Brilliant, natural colour rendition
- Ultra Short Projection Ratio of 0.28:1
- Illuminative performance of up to 3.100 ANSI Lumen
- Intelligent Brightness Control
- 3D Ready
- Smart device application for Education
- Special Design optimized for educational institutions
- USB Port for presentations without PC
- Quick Start & Stop
- WLAN capability

**Tentative
Specifications**

Ultra Short Throw series technical specifications at a glance:

XJ-UT310WN

Display	Technology: Resolution:	DLP ® chip 1.280 x 800 pixles (WXGA)
Light Source	Type: Life Expectancy:	Laser and LED hybrid technology approx. 20.000 hours
Projected Image	Contrast Ratio: Colour Depth: Projection Screen Size:	1.800:1 16,77 million colors (full color) 50-100" (min.-max.)
Projection Lens	Type: Projection Ratio: Offset: Focus:	Fixed Zoom/Mirror System 0.28:1 (distance: image width) 118% manual
Keystone Correction	Vertical (manual):	±5°
Interface Terminals	Computer: Digital Input: Component Video: Audio: Microphone: USB: Display Port: Wireless Capability:	2x RGB Input (15 pin RGB mini D-sub (VGA)) 1x HDMI Type A (480p-1080p) 1x RCA (composite) 1x S-Video 1x RCA (R/L) 2x 3.5 mm stereo mini jack 3.5 mm Mini (Compatible with Dynamic Microphone) 1x USB Type A (USB 2.0) 1x USB Type B via Mini USB CASIO Wireless LAN Adapter (YW-3) is included
Wireless Connectivity		IEEE 802.11 b/g/n
Built-in Memory		2GB (Pic, Movie, PTG, PDF)
Output	Audio: RGB Output:	3.5 mm Mini-Stereo Variable Audio 1x Mini D-sub 15 pin
Audio and Control Systems	Audio System: Control Terminal: Control System Compability:	16W Monoaural Speaker 1x RS-232 (Mini D-sub 9 Pin) 1x LAN RJ-45 AMX, Crestron, Extron, SP Controls
Other Specs	Dimensions (w x h x d): Weight: Energy Consumption:	Including Cover: 413 x 333 x 153 mm Excluding Cover: 338 x 333 x 153 mm 5.9 kg max. 250 W (operating) 0.4 W (Standby)
