WorkCentre® 5020
Multifunction Printer
Essential features, bottom line savings

Print. Copy. Scan. All of your business-critical office functions in one affordable device.

Cost-saving features

- Low-cost, 3-in-1 functionality saves space and money by consolidating existing standalone devices.

- Print and copy on both sides of a sheet of paper to reduce paper consumption on the DB and DN configurations.

- Power Save and Toner Save modes help you spend less on electricity and consumables.

- For greater cost control, Multiple Account Mode allows up to 10 password-protected user accounts with individual copy-job limits.

Streamlined performance

- Get more work done with a fast 20 ppm device.

- Built-in scanning reduces paper clutter and gets your office digitally organized.

- Paper capacity of up to 800 sheets means fewer interruptions to reload paper and greater media handling versatility.

- Increase workgroup productivity with built-in shared printing on the 5020DN.

Ease of use

- Walkup functions and features at the touch of a button.

- A centre output tray helps the device fit easily in tight spaces.

- High-end features like N-up and ID Card Copy simplify work processes.

- Designed for fast and simple installation and set-up.
